RESPONSE AND AMENDMENT

Dear Sir:

This amendment is being filed in response to the final Office Action mailed
October 19, 2005. In response thereto, please enter the following argument and consider
the following remarks.

A Petition for One Month Extension of Time accompanies this amendment.

AUTHORIZATION TO DEBIT ACCOUNT

A request for a one month extension of time and associated fees have been
provided with the present Response. It is not believed that extensions of time or fees for
net addition of claims are required, beyond those that may otherwise be provided for in
documents accompanying this response. However, in the event that additional extensions
of time are necessary to allow consideration of this response, such extensions are hereby
petitioned under 37 C.F.R. § 1.136(a) and any fee required therefore are hereby
authorized to be charged to deposit account No. 501304.
